OUR STORY

40 Years of Excellence. A Legacy of Trust.

For over 40 years, Archer Exteriors has been at the forefront of the remodeling industry, setting new standards in quality, craftsmanship, and customer care. Founded on the principles of integrity, exceptional work, and fair pricing, we remain committed to exceeding expectations—one project at a time.

What started as a small roofing and siding business in South Jersey has grown into a nationwide leader in home renovations. Tom Archer, our founder and visionary, built this company with a relentless dedication to superior workmanship and 100% client satisfaction.

His deep expertise—spanning contractors, homeowners, suppliers, and estimators—has fueled Archer Exteriors' expansion, reaching communities from the mountains of Colorado to the Florida Panhandle.

Through decades of experience and a deep understanding of industry regulations and best practices, Tom has shaped Archer Exteriors into a trusted name in roofing, siding, gutters, and remodeling. His commitment to excellence drives us forward as we continue to serve homeowners with unparalleled service and expert craftsmanship.

GIVING BACK IS AT THE HEART OF WHAT WE DO.

Archer Exteriors is proud to support Meals on Wheels of Salem County in their incredible mission to combat senior hunger. Since 1977, this organization has been a lifeline for elderly and disabled residents,

delivering 35,000 to 40,000 nutritious meals annually to those unable to shop or prepare food on their own. This vital effort is powered by a dedicated network of over 250 volunteers, who contribute thousands of hours and miles each year to ensure no senior in our community goes hungry.

Raising Roofs, Raising Spirits.

Archer Exteriors is honored to support the Gloucester County Animal Shelter, a beacon of hope for countless animals in need. Every day, this compassionate organization provides shelter, medical care, and love to abandoned, stray, and surrendered pets, working tirelessly to find them the forever homes they deserve.

No tail should wag without love, and no paw should go without care—thanks to the shelter's unwavering dedication, these animals get a second chance at happiness.
