What Happens During Your Appointment

On-Site Assessment

Our Home Exteriors Specialist will visit your property to assess the project, take precise measurements, and discuss your unique needs. They'll walk you through product options, color selections, and more—then provide a detailed quote. To ensure a productive appointment, we kindly ask that all decision-makers be present.

From Vision to Completion

Project Execution

Once the plan is finalized, your dedicated local supervisor takes the lead—managing everything from material delivery to installation. We handle every detail with precision and a strong commitment to quality craftsmanship.

Final Inspection and Approval

Once the work is complete, we perform a detailed inspection to ensure everything meets our high standards — and yours. We'll walk you through the finished project to confirm your satisfaction before we officially wrap up.

Helping Little Fighters, One Gift at a Time.

A Day to Remember at Archer Exteriors. We were proud to open our doors and our hearts as we hosted a special fundraiser in support of the brave and inspiring children at the Children's Hospital of Philadelphia (CHOP). It was a day filled with community spirit, generosity, and hope—one we'll never forget.

Supporting Meals on Wheels of Salem County

Delivering More Than Meals. When Meals on Wheels of Salem County needed support to honor their incredible volunteers, we proudly stepped in with a \$1,500 donation toward their appreciation dinner. These volunteers deliver more than just meals—they bring hope, comfort, and connection to those who need it most. We're honored to stand behind their mission of care.

A Roof Over Their Heads – The Atlas Family

Jeremy Atlas, a devoted special education teacher and father of two, works tirelessly to support his family. When we learned their roof was in urgent need of replacement and resources were limited, Archer Exteriors stepped in to help—providing a brand-new roof at no cost. It was our privilege to support Jeremy through Project Home Strong—our way of giving back to those who give so much.

Giving Back Is at the Heart of What We Do

At Archer Exteriors, building strong communities is just as important as building strong homes. That's why we actively support local causes and organizations that make a difference.
